

# MAKE A TWO HOUR INVESTMENT IN YOUR KIDS' WELLBEING

## FREE COMMUNITY FORUM

Alcohol is by far the most commonly used drug among Victorian young people. Every week, it contributes to accidents, assaults and even deaths among our kids. So how can you protect your own children in a world awash with alcohol?

Our free community forum will give parents practical, easy to use ways to talk to kids about alcohol, and plenty of ideas about how to keep them safe.

The forums will be presented by Geoff Munro, Australian Drug Foundation and Leigh Bartlett, Barwon Adolescent Taskforce.

**Venue:** Gladstone Park Secondary College, Performing Arts Centre

**Address:** Taylor Drive, Gladstone Park (Melways reference: 6 A10)

**Date:** Wednesday 18 April 2012
