

PARENT PAYMENT ARRANGEMENTS

Dear Parent/Guardian

As another strange year draws to a close, we look forward, fingers crossed, to a great uninterrupted year of teaching and learning next year and would like to advise you of Gladstone Park Secondary College's parent payment arrangements for 2022.

Books & Booklists

The Student Planner, Pastoral Care workbook, Health & Human Development books and some VCAL material are now sold by the school directly and not available through the booklist.

Students studying Maths next year in Year 10 or VCE (except Foundation maths) will need to purchase (or retain) the Texas TINSPIRECX II CAS calculator. These are available directly through the school at a significantly reduced cost of \$225. Other versions of the calculator will not be able to be used in the current courses.

The Sustainable School Shop

Information about the Sustainable School Shop, who offer an online facility for families to be able to recycle textbooks and other student resources, including uniform items, is available at www.sustainableschoolshop.com.au or you can call them on 1300 683 337.

If you would prefer to donate your uniform items no longer in use, our Student Services staff will gladly pass these onto children in less fortunate circumstances.

Please give them to current students to drop off for you at the Student Reception desk. Thank you in anticipation!

Booklists

Booklists will be available shortly. You can shop for booklist items yourself, or for your convenience, have your booklists filled by our supplier, [North of the Yarra](#).
