

## VCE Italian Year 11 – Holiday Homework

In order to complete your Italian homework, you need to have the recommended dictionary.

- ✓ Answer the attached questions of **General Conversation** (Domande generali) in full sentences.

**Submission date: 02/02/2018.**

On the first week back I'll test you on general conversation with a 3-4 minutes oral examination.

If I see that you did not practice your speaking skills, I'll consider your homework not completed.

- ✓ **Compito Scritto 1: LE MIE VACANZE.**

Describe how you spent your summer holidays (you can choose one particular day in which you did something special or talk in general about your summer break).

Write 150 – 200 words using the passato prossimo and imperfetto

**Submission date: 02/02/2018.**

- ✓ **Practice Exam:** complete all sections of the practice exam given during orientation week.

**Submission date: 02/02/2018.**

If you don't show me evidence of completion of your work by the established dates I'll consider your homework not completed. Also, you need to have your **folder** subdivided in the recommended categories (see contract).

If you complete your holiday homework gradually, you will enjoy them. For any assistance feel free to send me an email anytime ([kowalyk.christina.m@edumail.vic.gov.au](mailto:kowalyk.christina.m@edumail.vic.gov.au)).

Buone vacanze e divertitevi finchè siete giovani! Buon Natale... non vedo l'ora di ottenere ottimi risultati con voi! ☺
