Principal's Report Continued...

Year 7 Camp

Thank you to Junior School staff for their work in organising and running another successful camp. Thanks to the staff who attended. The year 7 Orientation Camp is a great opportunity for staff and students to get to know each other and have a bit of fun away from school. Thanks in particular to Ms Ross, who organised the camp and the Junior School staff for assisting her.

**Due to the recent high demand for places on this camp, we are investigating having the camp run over the whole week, in 2022, where half the cohort attend for the first half of the week and the other half attend on the second half of the week, with an overlap in the middle.*

Swimming Carnival

As was the case last year, due to the number limits imposed by the Oak Park Swimming Pool, we ran the carnival with all year 7, 8 and year 12 students and any students in years 9, 10 and 11 who were competing.

Classes ran back at school for students in years 9, 10 and 11 who were not competing.

It was a great day, warm weather and a real sense of team spirit by all.

Thank you to Mr Puxley and Mr Greaney for their work in organising the event and to all the staff and Sport and Recreation students who assisted.

The Athletics carnival (on the 31st March) is a compulsory event for all students as there is capacity to fit all of our students at the venue. Please ensure all payments and permissions are completed by the due date as no payments will be accepted after the due date.

Important Dates:

It is a very full term one with many whole school events, such as the Swimming and Athletics carnivals and school photo day.

Our usual **Year 7 BBQ** will be a different format this year, due to current Covid restrictions. It is likely we will run an on-line information session with the year 7 classroom teachers and families through Microsoft Teams. Year 7 students will undertake further training to learn how to access this platform. Stay tuned for more information on this event.

We are all hoping for a return to normal during 2021, however only time will tell. Stay safe everyone.

Year 7 Camp ADANAC

Last week I went on the Year 7 Camp. I had the best time, it was so fun especially because I got to be with my friends the whole time. So the first day was probably my favourite, I was on the bus with one of my friends Kenny. We were talking about TV shows the whole time. When we got to there the teachers split us up in our cabins, then we started to do the fun things. We had hut building, stand up paddle boarding and a water trampoline. We had so much fun. We had some lunch and dinner, the food was good. It took me a long time to go to bed because I had so much energy. The next day we had the waterslide first thing in the morning. It was freezing but it was really fun. Then we had beach volleyball and a flying fox. The flying fox was really fun, I went really fast and we had a really funny instructor for it. His name was Ant, he would always make jokes and have fun. The next day was our last, we made pancakes and we were disc throwing. The pancakes were so good. My favourite activity was probably the water trampoline because I did heaps of flips in the water and Mr Richardson launched me into the air and I splatted into the water. But then it was the end of the day, we went on the bus and back to school. I had the best experience ever.

Ayden Andrews 7C

My personal favourite activities at camp were the water trampoline, stand up paddle boarding and flying fox.

At the camp I had heaps of fun playing basketball in the gym with a few teachers and students, and had lots of fun flipping off the water trampoline and falling off the sup boards.

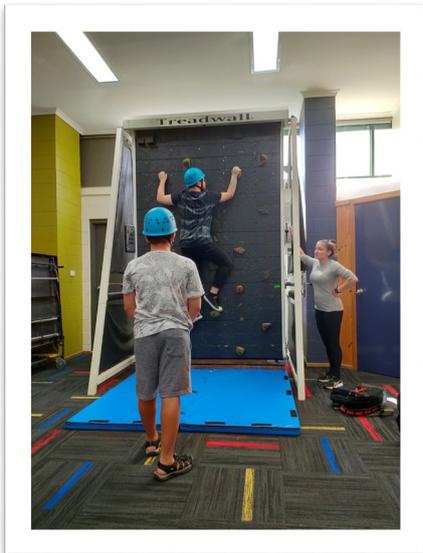

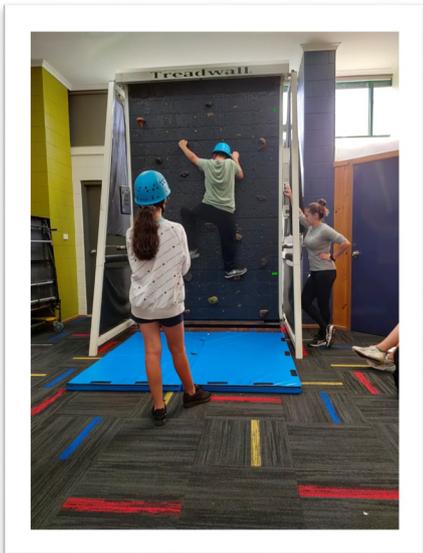

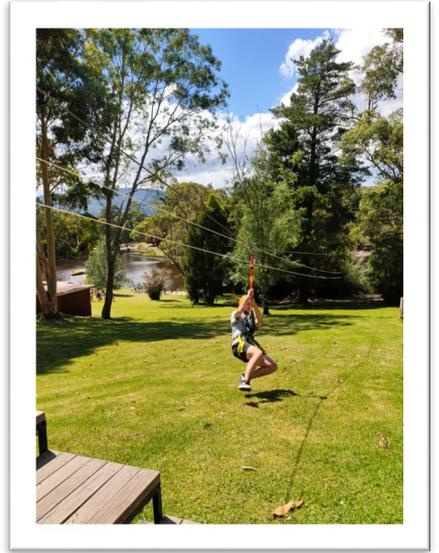

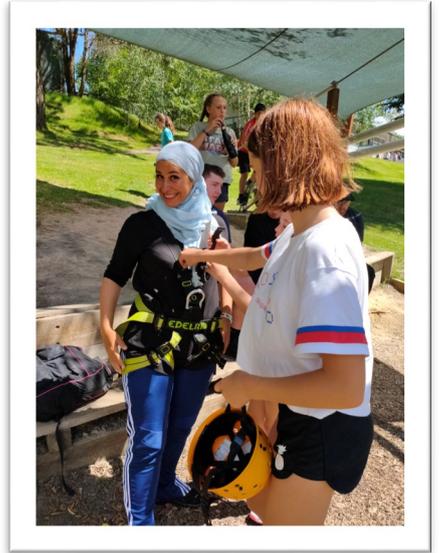

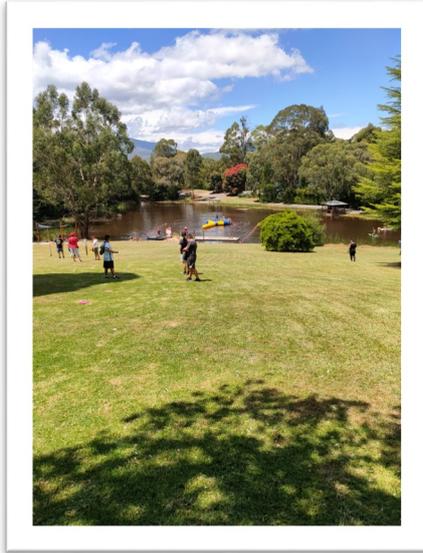

A lot of us made new friends and got the chance to get closer to old friends. And everyone had heaps of laughs around the camp fire with everyone singing including the teachers singing and performance, some jokes and old embarrassing stories.

The trivia night was fun and competitive, everyone racing to put their hands up to answer the questions and bring a win to their table.
