Principal's Update

It has been so pleasing to see our students return to on-site learning, and from what I could see, students seem happy to be back also.

Covid Restrictions

I hope you are all staying safe and looking forward to the further lifting of restrictions tonight. I know we will all be pleased not be required to wear masks outside in the yard from next week. Masks will still be mandated in the classrooms. Students are asked to social distance in the yard, at lockers and in canteen queues.

At the moment, we are keeping to the regular start and finish times but will let you know if that changes.

New Flagpoles and Flags

We are proud to say we have erected two additional flag poles out the front of the library and have had a small ceremony with the school captains and SRC to raise the additional Torres Strait and Aboriginal flags. A more formal ceremony will take place at a time to be confirmed.

Thank you to the SRC, Mr Taylor and Mr Centofanti for their work in arranging for these flag poles to be added.

I wish you all a lovely long weekend.

Principal's Update Continued

Student Cooking Challenge

End of Term 3- Remote learning cooking challenge

The Food Tech dept ran an optional cooking challenge to celebrate end of Term 3 remote learning.

The Junior students demonstrated their cooking skills by using staples at home to create a sweet/savoury product whereas the Senior students utilized Spring foods in season to create a savoury/sweet product for a picnic outing. We are so proud to see students taking the initiative to independently investigate, plan and prepare products to meet the specifications outlined in the challenge. A big thank you to the carers/parents who provided the support and resources at home.

We are very pleased to announce and congratulate the following winners who will be receiving a hamper at school to enhance their culinary skills at home.

school holiday periods**

All upcoming dates can also be
found on our Website:
www.gladstoneparksc.vic.edu.au

HAVE YOU CHANGED YOUR DETAILS ?

Please immediately notify the College of any changes to your address or contact details.

ATTENTION YEAR 11 & YEAR 12 PARENTS

Parents are reminded that where a Year 11 or Year 12 student is absent from school due to a family holiday, this will be considered an unapproved absence.

VCE and VCAL have attendance requirements which must be met in order for a student to pass.

STUDENT ACCIDENT INSURANCE

Parents are reminded that the school does not provide personal accident insurance for students. Parents/guardians are responsible for paying the cost of medical treatment for injured students, including any transport costs.

Reasonably low cost accident insurance policies are available from commercial insurers should you require one.
