Reflections From Our School Captains

Look how far we have all come. From nervous beginnings the day before we walked into the gates of Gladstone park secondary college as year 7s, to now, graduating from year 12. Throughout our high school experience, we have all made new friends and achieved things that we never thought were possible.

It's crazy how all our years of schooling including primary school, will be gone in the blink of an eye. The routine we have been placed into, the people and the teachers we see every day. We have most likely sat in every classroom in our school, and now all that familiarity will most likely be gone. Although most of us dragged our feet to school dreading what's to come, I know we all will miss an element of it. The people we will keep contact with are those that have stuck by us and been close to us for years. It is these people that have made school a tiny bit more bearable, and I've got so many memories with them that I will cherish forever.

The thing that I'm asking you is to keep contact with the people that you also cherish and hold close to your heart. Sure you may drift apart later in life but make the most out of the friendships you have now as believe it or not we are still very young, and we have a lot of time to figure things out. Do what makes you happy and don't settle for any less. Express yourself however you wish and don't let judgment get to you as no matter what anyone here does there will always be someone judging, so don't allow it to affect you and your confidence.

As we look back, we can get so caught up looking at where we should be, where we aren't and where others are, in comparison to us, that sometimes we forget to appreciate where we have been, how far we have come, and what we have already accomplished to become united to be the best graduating class of Gladstone Park Secondary College.

I applaud the graduating class of 2022 for everything you have accomplished this year - for the hard work you have put in this year and the strides you have overcome. WE DID IT!

PROTECT

Everyone has the right to be safe and be protected from abuse.

No one should behave in a way that makes you feel unsafe or afraid, including anyone in your family, anyone at school or anywhere else in the community.

Tell a teacher or any adult at your school if you feel unsafe.

It's everyone's responsibility.

Adults at school must listen and respond to concerns about child abuse.

If you suspect abuse of any child or young person, you have a responsibility to report it, even if you are not sure.
