School Strategic Plan - 2024-2028

Gladstone Park Secondary College (7858)

School vision	VISION Gladstone Park's vision is to develop: <ul style="list-style-type: none">• students with high academic aspiration and achievement, and personal responsibility• young people who hold themselves to high standards and who strive to achieve their potential• community members who carry a love of learning throughout their lives and are respectful and caring citizens, acting with integrity as leaders and contributors.
School values	VALUES At Gladstone Park, our values define how we interact and engage in school life. Respect Being respectful is to demonstrate respect for self, others and the school by being polite, thoughtful and considerate when working with others and representing the school. Learning Being a learner is to be actively engaged with and taking responsibility for one's own learning. It means being curious and open to new ideas. Safety Being safe is to value the safety of others, making school a safe space for all - physically safe and safe from intolerance and discrimination.
Context challenges	Building consistency in practices - both learning and wellbeing - will be mean students' experiences at school will be less varied and more effective for more students. Implementing the Disability Inclusion Profile processes will require professional learnign and Building consistency through Positive Behaviours for Learning and an Instructional Model will positively impact all students through increased student engagement and timely feedback for growth.
Intent, rationale and focus	We are aiming for improved consistency in the use of effective teaching teaching practices so that students have the best learning opportunities. We are aiming for greater engagement of students so that they can see their learning growth and achievement. We are aiming for a better understanding of learning and wellbeing data so that teachers meets the needs of individual

	<p>students.</p> <p>We are aiming for improved consistency in the use of Positive Behaviours for Learning principles so that students have the best social and emotional learning opportunities.</p> <p>We are aiming for improved consistency with tiered supports for students so they are supported to achieve their best.</p> <p>We are aiming to improve parent and community connections to better support our students.</p>
