

Dear parent/guardian,

Gladstone Park Secondary College is looking forward to another wonderful year of teaching and learning and would like to advise you of Gladstone Park Secondary College's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, over the year this support has allowed us to;

- Maintain our high standard Physical Education equipment and updates such as the weights room.
- Provide teaching materials such as class sets of books, poster paper, software, equipment and shared classroom consumables.
- Maintain our industry standard Performing Arts facilities and programs such as School Musical Production, Music concerts and dance and drama performances, including the upkeep maintenance.
- Provide enrichment programs such as lunchtime clubs including, Minecraft, Art, Science, Table Tennis, Badminton, Softball, Car, Pokémon Card, E-Sports and SRC.
- Provide additional teaching and support staff involved in programs such as after school tutoring, careers counselling and student support services.
- Provide extensive Art resources including maintaining our varied Art classroom opportunities.
- Provide a wider offering of subjects and special curriculum experiences such as the Immersion, SEAL and Vocational Major programs, and a breadth of extra-curricular programs.
- Maintain Science teaching resources and consumables.

Please find below Gladstone Park Secondary Colleges voluntary financial contributions schedule for 2026, which includes an overview of what your support will contribute towards.
