Dear parents/carers

This letter provides information about voluntary contributions you can make to support Gladstone Park Secondary College for 2027 and other payments you can choose to make.

Victorian government schools provide free instruction. This means all students have free access to all items, activities and services that schools use to deliver the curriculum, including reasonable adjustments to support students with disability.

Some families choose to make a voluntary financial contribution to support the school, and we are very grateful for this support. Making a voluntary contribution is your choice. There is no expectation or pressure for families to contribute.

Gladstone Park Secondary College offers a range of items and activities that are additional to the free instruction provided to all students at our school. Financial help is available for extra-curricular items and activities if you are experiencing financial hardship (see further details under Financial Help for Families in the attached information). For a confidential discussion about how to access the financial help available, please contact the school on 03 9933 0500 or via email gladstone.park.sc@education.vic.gov.au

Schools must advise the carers of students in out-of-home care and parents and carers who hold a financially means-tested card (such as a healthcare card) that the invitation to make voluntary contributions does not apply to them.
